Excel Coffee Bar System - Decoration J

Price: [Call for Pricing](#)

Decoration J - Elegant Wood Finish with a stainless steel overlay.
Available in three wood finishes - Beech, Cherry or Walnut

Comprising of refrigerated display cabinets with high and low glass, ambient corner counters with a choice of granite worktops. Combined with a selection of bar and counter units including corner modules and plinths form a complete display.

The back bar area is fully catered for with wall mounted shelving with optional mirrored panels and integral lighting. In addition there are available glass fronted stainless steel storage and display refrigerators.

Our systems are not just for display – they can incorporate fully functional back bar equipment including storage refrigerators, ice makers, glass and dishwashers, tables and sinks. All adding up to a practical and ergonomically range of products perfectly complimenting each other.

Layouts designed to suit clients individual requirements
